## Special Notice.

**TERMS :—**Net Cash in advance. Remittances must in all cases accompany each order, including sufficient for return postage. As the prices quoted in this list are at such low rates, I am compelled to ask you not to deviate from these rules, otherwise orders will be rejected.

*No Stamps taken in Exchange except they are ordered.*

Orders for Stamps from Catalogue should be written on a separate paper, with prices enumerated, in which case the same will be returned, duly checked.

Correspondents who may have stamps in quantity which they desire to exchange for stamps named in my Catalogue, by sending large parcels of common used stamps, should order stamps of a similar quality, as I do not undertake to send unused or rare stamps in exchange for such ; or if the selection is left to me I will send good value in such stamps.

Exchange orders should be of double the amount required, to allow for certain stamps, of which my supply is so limited that I am obliged to reserve them for cash orders. Correspondents will then receive what they desire.

Imperfect or soiled specimens are useless. Envelope Stamps to be cut square. Cards must be entire.

I cannot too strongly impress the necessity of securely wrapping parcels intended for me. Insufficiently prepaid letters and packets are refused.

All letters containing money or stamps must be REGISTERED.

I particularly call your attention to my provincial stamps, viz., Newfoundland, P. E. Island, New Brunswick and Nova Scotia.

Parties desiring information concerning the prices given by me for Foreign Stamps will be furnished, on application, with a list of prices I offer in cash or for Exchange.

Correspondence in English, French and German.

All stamps warranted genuine. Stamps not sent on approval.
